

St. Martin Heritage Park Charlestown, Inc. Quarterly Newsletter Summer 2009

Read up on all that's new since spring!

2009 Rummage Sale~ Thank you to everyone that made wonderful donations this year. Isn't it great to clean your house, your closets, your basements and garages and help our cause at the same time! Thanks to all your assistance, we had a profit of \$1,356.65 this year. Judy Koehler and her crew did a great job of organizing, pricing and handling the sales.

Lots to shop from both inside and outside the hall

Benefit Golf Outing~ Deb Mueller and her gang did a wonderful job on the 3rd annual golf outing. This was the first year this event was held at Hickory Hills and the response was awesome! Total profit for this event was \$4628.90 plus a Catholic Knights match of \$400.00. A portion of the profit was shared with Free Spirit Riders who joined in the effort.

THANK YOU

Please keep in mind these fund raising events help to defer the annual cost of electricity, heat, repairs, improvements, etc. at Heritage Park. Each time you as an individual or business

support our events, you are a huge help and we thank you sincerely. We could not keep this organization going without your help!
